

She's My Dark Eyes

(Randy Koslosky - Koz B Koz Publ., BMI)

She's my dark eyes. She's my pretty girl
Loveable and Huggable, the sweetest in the world
She's my Sweetheart. And I love her so
I sing this song so ev'ryone will know

She's my dark eyes. See how her eyes shine
Beautiful with heart so full and, I'm so glad she's mine
When I look in to her eyes I see, the
Love she has especially for me
